

Retail Masters
Operation Grow Your Own
Curriculum Schedule

Each Retail Master is challenged with sharing leadership content or creating a leadership experience that grows their fellow class members.

Reference agendas for each session for specific date/time. You will be given 15 minutes but please let us know if you need additional time or if you have preferences as to where you fall on the agenda. Also, please provide us with your AV needs at least one week in advance of the session.

You have the flexibility to work on this as an individual or feel free to collaborate with your peers.
